I’m not feeling so good, Mom.

Let’s visit Dr Bongi.
She can help.

Drink this medicine, Alex.
It will make you feel better.

But I don't like
medicine. It's yucky.

Jett, I'll let you play with my shiny red car if you drink my medicine.
Eeew, no way!

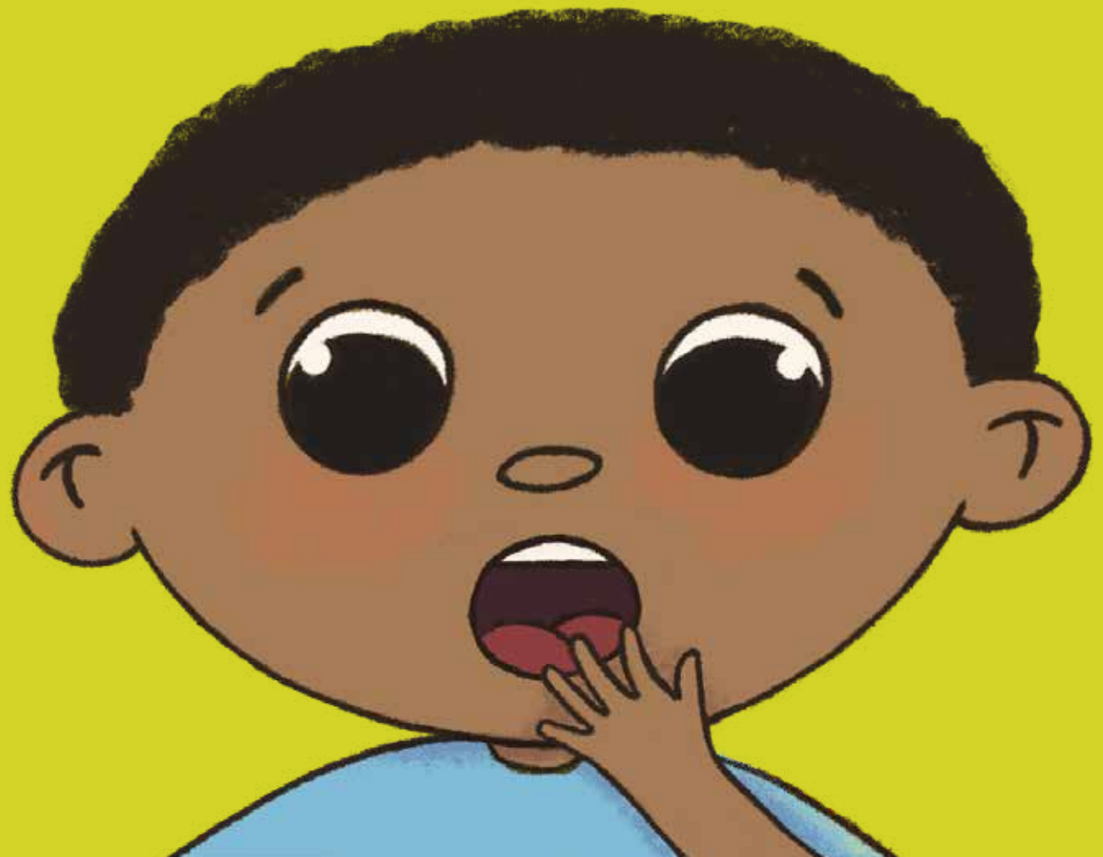

How can I make my medicine taste better?

I know, I'll put it on my sandwich.

Urgh!

Maybe I should hide it away.

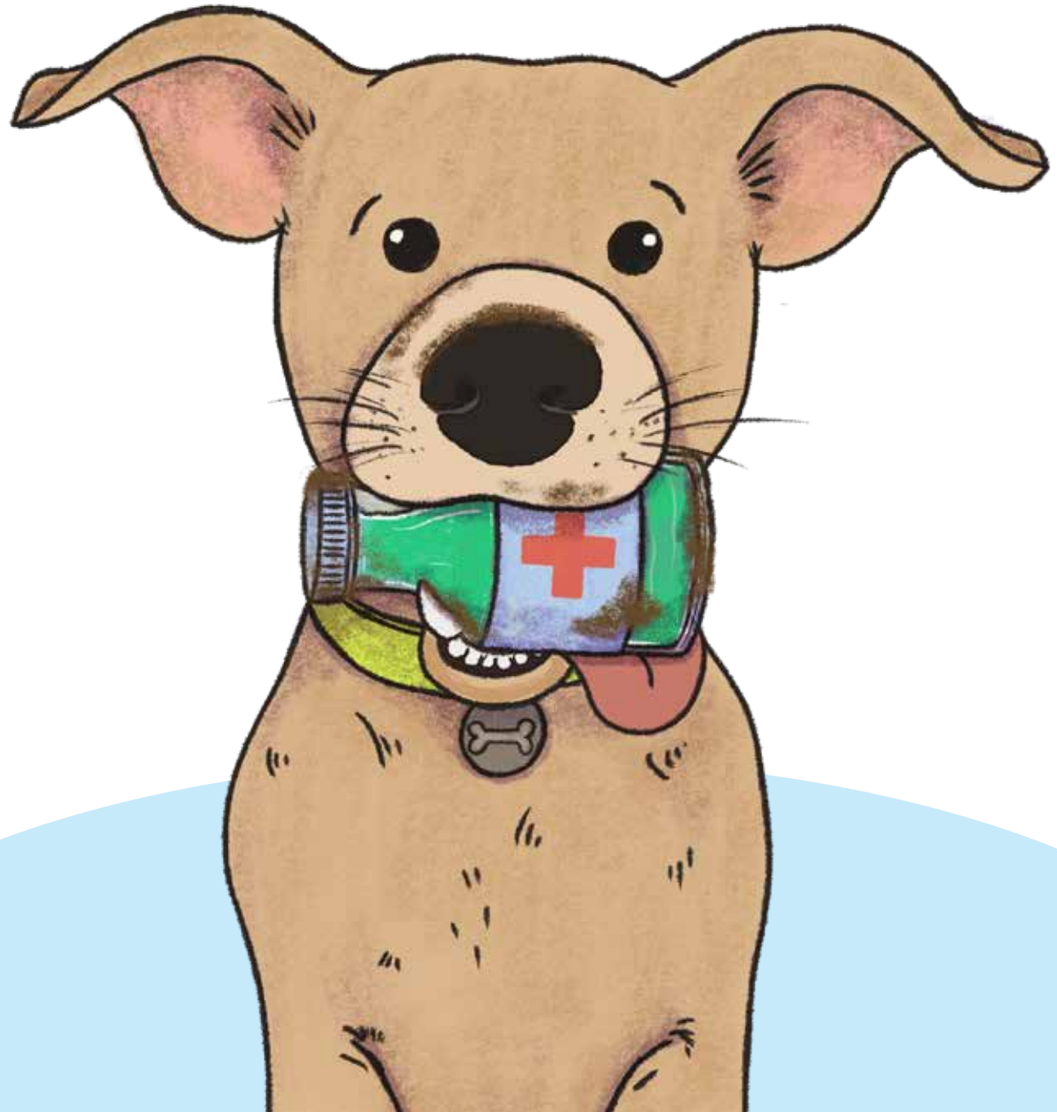

I know, I'll hide it in the garden.

Oh no!

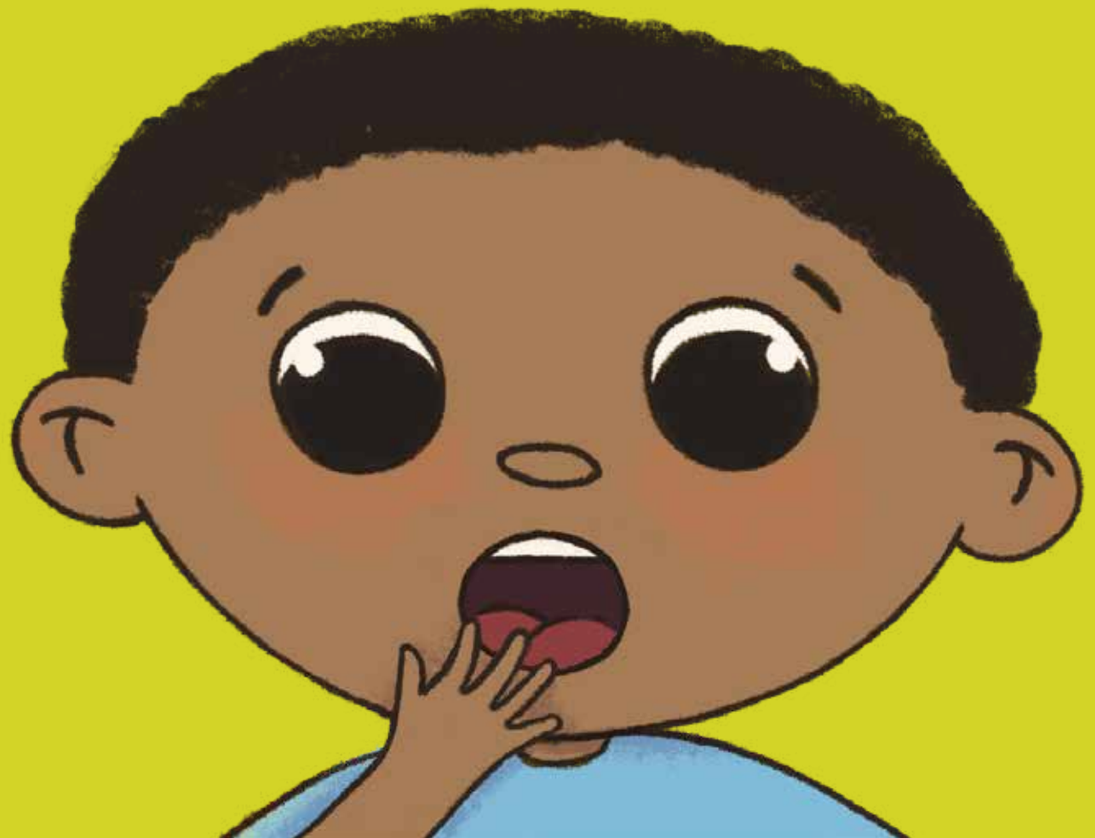

I'd better try something else.

I know, I'll hide it in a bird's nest.

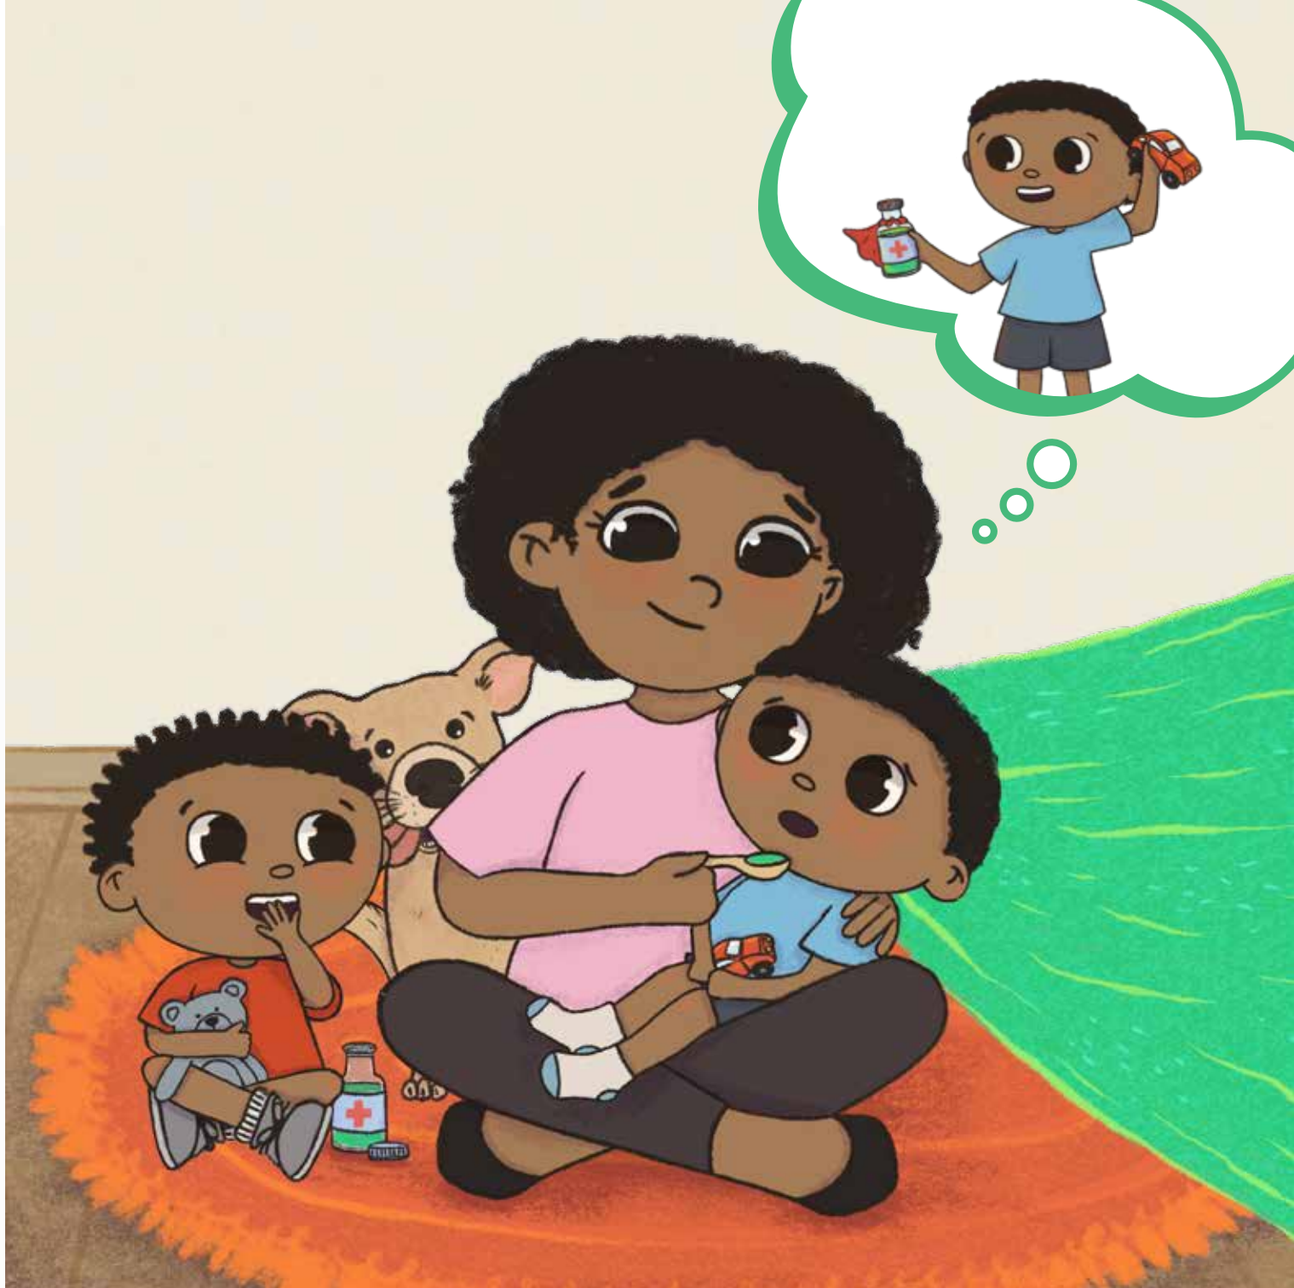

Aaah!

Hmm, maybe I should
just try it?

Wooah, this is actually so much fun!
I feel something... What's happening?

I feel so much better!

And all I had to do was drink my medicine.

You did it, Alex!
We're so proud of you.
