Loves Books

This book belongs to

bookdash.org

Every child should own a hundred books by the age of five. To that end, Book Dash gathers creative volunteers to create new African storybooks that anyone can freely print, translate and distribute. Then we work with partners to give those books to preschool children to own.

To find out more, and to download beautiful, open-licensed, print-ready books, visit bookdash.org.

Julia
loves
books.

She loves
books with
words,

and books
with
pictures.

Julia loves
books about
swimming,

and books
about tennis.

She loves
books about
travelling,

and books
about staying
home.

But there
is one book
missing.

Where is the book
about Julia?

She will have to
write it herself.

Here is a pen,
Julia.

We will love
your book.

An illustration featuring a large white speech bubble with the text "We will love your book." in a bold, black, sans-serif font. Below the bubble, on the left, is a cartoon girl with dark skin, black hair in pigtails, and a red headband with a yellow flower. She is smiling and waving her right hand. In the center, there is a small, white, cartoonish creature with large eyes and a red collar. On the right, a boy with dark skin and black hair in pigtails is running towards the left. He is wearing a blue shirt and a red cape with a yellow flower. A blue speech bubble next to him contains the text "No kher" in a stylized, handwritten font. The background is a light blue sky with soft, white clouds.
