Every child should own a hundred books by the age of five. To that end, Book Dash gathers creative volunteers to create new African storybooks that anyone can freely print, translate and distribute. Then we work with partners to give those books to preschool children to own.

To find out more, and to download beautiful, open-licensed, print-ready books, visit bookdash.org.

Thuli!
Sneesdoekies hoort in die asblik.

'n Ligte bries dra
die sneesdoekie weg.

SWIESJ!

Haai, kom terug!

Die bok skud sy kop en
die sneesdoekie waai weg.

OP, OP, OP...

waai die sneesdoekie.

Jy hoort in die asblik!
