

What is it?

What is it?

It hasn't got a trunk.
It's not like me.

What is it?

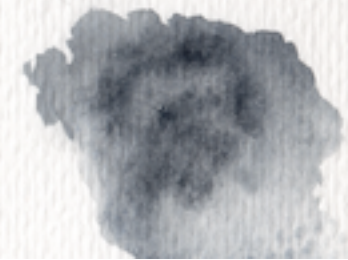

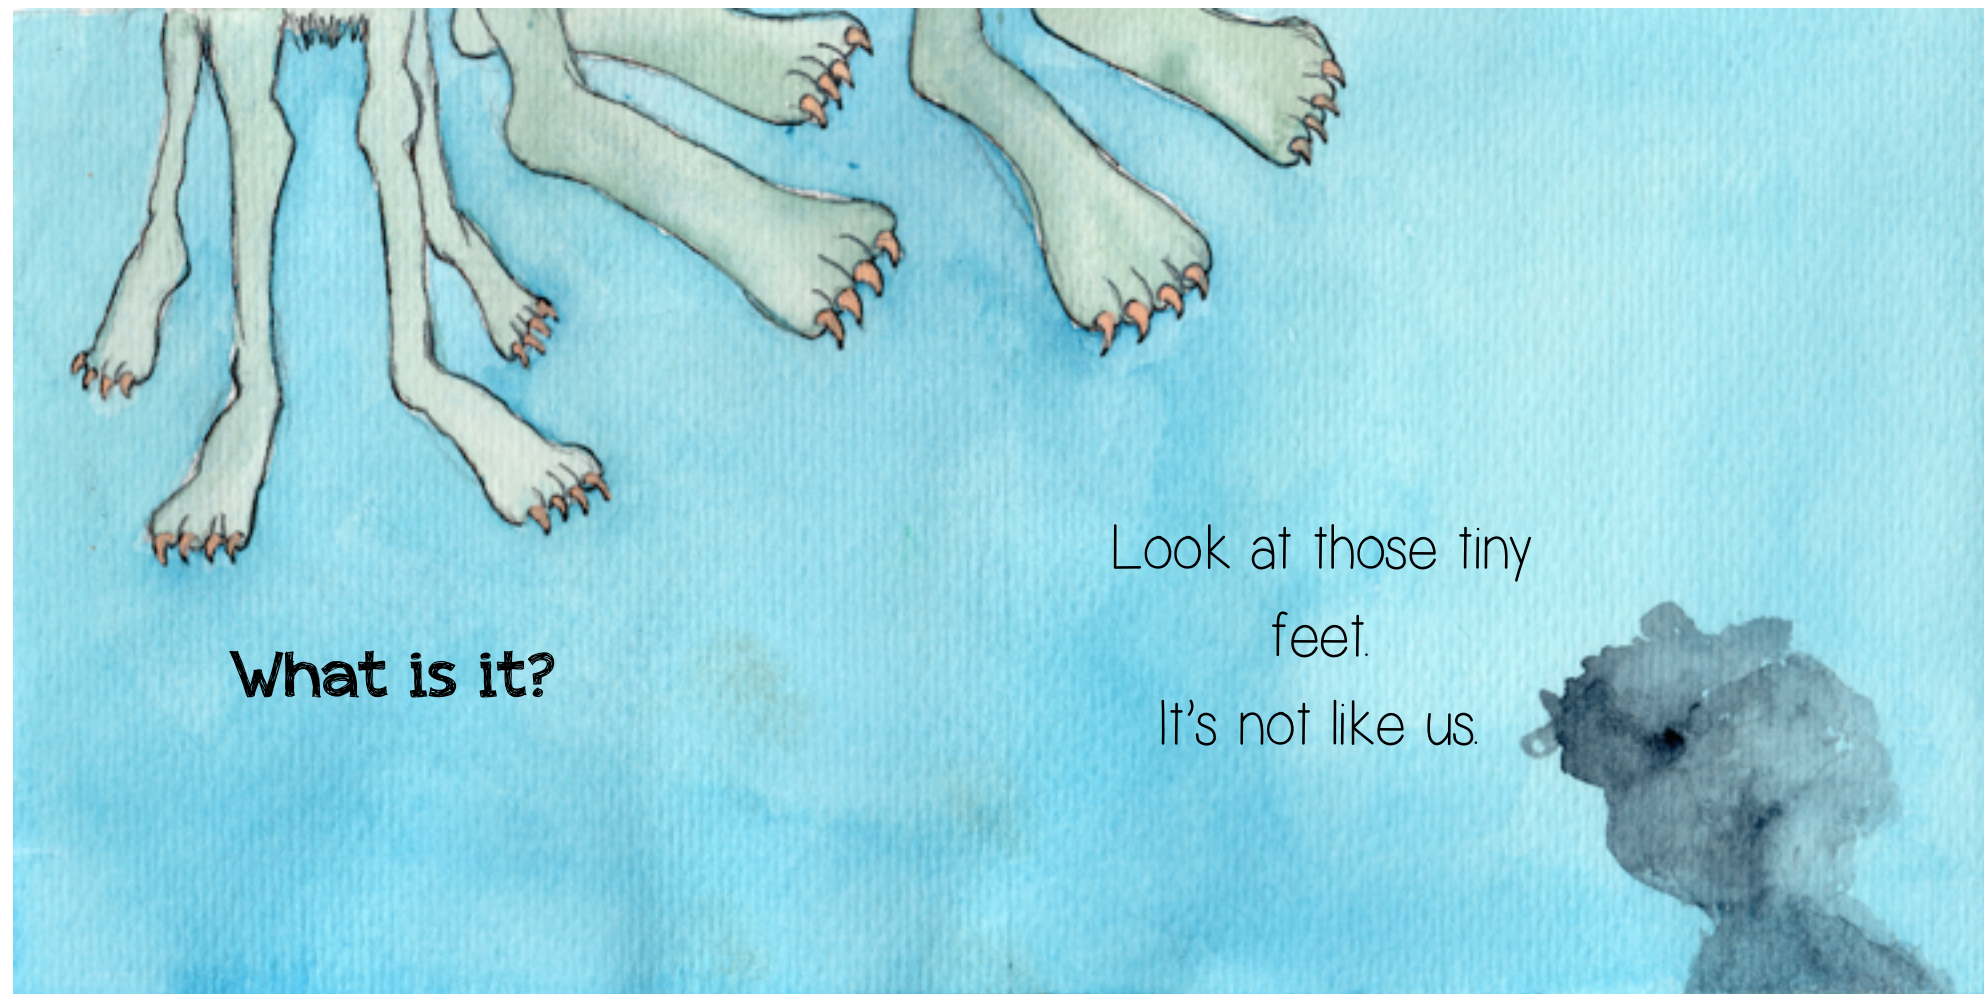

It hasn't got a tail.
It's not like me.

What is it?

Ugh!
Where are its feathers?
It's not like me.

What is it?

Look at those tiny
feet.
It's not like us.

Do you think
it's dangerous?

Do you think it wants to
eat us?

ACHOO!

ACHOO!

EEK!

AAH!

It's chasing us!

Be careful!

Come back!

What is it?

It's a baby!
Just like me!
