

Can you sleep with one eye open?

Can you sleep in a tree?

Pula has a bed, but he wants to know
how other creatures sleep.

How do you sleep?

Alex Latimer

*How do you
sleep, bird?*

I fly in my sleep.

*How do you
sleep, bat?*

I sleep upside down.

*How do you
sleep, bullfrog?*

I rest on my side.

An underwater scene with a blue background. In the top left, there are dark grey rocks and orange coral. In the top center, four small blue fish are swimming. In the bottom left, there is more orange coral. On the right, a large octopus is visible, with its tentacles extending upwards and outwards. The tentacles are decorated with horizontal stripes of various colors: red, orange, yellow, green, blue, and purple. Some tentacles have small white circles near their tips. A large yellow speech bubble is on the left, and a curved speech bubble is on the right.

*How do you
sleep, octopus?*

*I change colour
in my dreams.*

*How do you
sleep, duck?*

*We take turns to
guard each other.*

*How do you
sleep, baby owl?*

I sleep on my face.

An illustration of two brown otters swimming in blue water. They are holding hands and looking towards the left. The water is depicted with wavy lines and small white bubbles. A large orange speech bubble is on the left, and text is on the right.

*How do you
sleep, otter?*

*We sleep
holding hands.*

I sleep on the land

and
under
the
water.

*How do you
sleep, walrus?*

*How do you
sleep, giraffe?*

We sleep on each other.

*How do you
sleep, meerkat?*

We sleep in a heap.

How do you
sleep, Pula?

Goodnight!

Sleep tight!
